

**Press Release**

**Effective 8/26/2019**

Arizona Public Service (APS) will begin a year-long reclamation project in the unimproved area west of the U.S. Port of Entry (3<sup>rd</sup> Street and Pan Americana). The City of Douglas in collaboration with APS will close the area to vehicle access and vehicle parking for the duration of the project in order to ensure the safety of the contractors and the public at large. The closed section is denoted by the yellow rectangle. Vehicles parked in the area will be removed at the owner's expense. We appreciate your understanding and cooperation.
